

COVID-19 (“CORONAVIRUS”) PATIENT AND STAFF PROTECTION

To Our Valued Patients –

To help us protect you, other patients, and our staff, **IF YOU HAVE A FEVER, NEW SHORTNESS OF BREATH, DRY COUGH, OR FEEL SICK, PLEASE DO NOT ENTER THE CLINIC.**

INSTEAD, please contact your primary care or personal physician for proper instructions.

Please call us back to reschedule your appointment at a later time when you have been feeling well for at least 2 weeks.

It is a challenging time for all of us, friends. Thanks so much for your understanding and cooperation. We look forward to continuing your care.
