

Dear Valued Patients,

We are aware that many of you are receiving letters from your insurance stating that Seattle OBGYN is out of network effective June 30<sup>th</sup> 2023. The majority of these letters went out in error. With our recent departure from Proliance, our previous contracts were terminated and new ones were initiated. Unfortunately, there was a delay loading our new contract into certain insurance systems. That delay generated these out of network letters.

Most of our in-network insurances did not change but there are a few smaller plans that we are no longer in network with. We are making every effort to contact those patients who are truly out of network after June 30<sup>th</sup> 2023.

If you are unsure of your network status [please go to our website to see the list of in network companies](#). If you are still confused either contact our billing office at 206-682-5843 or call the customer service number on the back of your insurance card and provide them with our new tax ID number. Our new Tax ID number is 46-3169862

Sincerely,

The Seattle OBGYN Billing Office
